

4.3 Communities and Floodplain Management Matrix

A matrix was prepared showing 16 communities and which of the six floodplain management techniques are currently being implemented as part of their floodplain management program. Contact information is presented for each community to acquire additional information if desired. The 16 communities included in the matrix are:

Lake County, Illinois

Huntington, West Virginia

Arnold, Missouri

Fort Collins, Colorado

Spaulding Township, Michigan

State of Washington

Beatrice, Nebraska

Napa County, California

Sacramento County, California

DuPage County, Illinois

Overland Park, Kansas

Lenexa, Kansas

Johnson County, Kansas

Topeka, Kansas

Omaha, Nebraska

Sarpy County, Nebraska

■ Tulsa, Oklahoma
